The \$1,000 Moraga Rotary scholarship and the \$1,500 Mary Elena Dochterman scholarship will be awarded to a senior at Campolindo High School that has at least a 3.0 grade point average in “core” subjects, and is planning to attend college. The successful applicant will be chosen on the basis of need and community service experience. The Campolindo counselors will select the three most qualified applicants, and the Moraga Rotary Club and Dochterman family will interview those three applicants and select the recipient of the scholarship after those interviews.

As part of qualifying, please attach a short essay, not to exceed 250 words, describing your planned use of financial assistance for college.

As part of qualifying, please attach a short essay, not to exceed 250 words, describing your community service activities during your last 3 years.

.....  
This applicant has attained a 3.0 grade point average or higher in “core” subjects for his/her high school years.
